28th December, 2015

Dear Vice Chancellor,

This is the time when you may be working for the summative evaluation for the current academic session. Soon you will be making preparations for the next academic session commencing from June-July, 2016. In this connection, may I request you to put in place 'Online Admission System' for all the programs offered by your esteemed institution. You will agree that this will not only ensure greater efficiency but also promote transparency in the functioning of your institution. In addition, it will also facilitate the students and parents to make informed choices.

If you have already done it, you are requested to inform the UGC the extent to which your admission processes are currently online. In case your university has fully implemented the online admissions, you may kindly indicate a descriptor of the software used and also mention the process adopted for the online admission. If the admissions are not done through online, or is only partially online, you may kindly indicate the steps proposed by your university for converting it to the complete online mode from the academic session 2016-17.

Further, I wish to inform you that the progress achieved by the Universities in implementing the online admissions will be reviewed in a meeting scheduled for early January, 2016. Accordingly, you are requested to **initiate urgent steps for online admissions** and also apprise the progress made to the Secretary, UGC.

This may kindly be accorded **Top Most Priority**.

Looking forward to hearing from you soon.

With regards,

Yours sincerely,

(Ved Prakash)
